- 1 The fee is determined by a separate agreement between the Borrower and the Operator. The amount of the fee depends on the credit rating assigned to the borrower, the value of the mortgaged property, the competitive environment, the size of the loan sought, the term and the attractiveness of the project. Minimum Operator fee is 600 EUR.
- 2 The Borrower pays a fee to the Platform Operator if the Loan Agreement is terminated due to non-fulfilment of obligations by the Borrower (or persons guaranteeing the obligation). In such case, the Platform Operator incurs additional administration costs.
- 3 The Borrower pays a fee to the Operator once after signing the terms and conditions of placing the Project on the Platform and financing.
- 4 The Borrower pays a fee to the Operator every time the Borrower delays (fails to fulfil or fails to fulfil properly) its payment in accordance with its monetary obligations under the loan agreement.
- 5 The funding cancellation fee is paid if the Borrower refuses to sign the Loan Agreement when the Loan amount has been granted.
- 6 A 2% selling fee of the selling price is applied by the platform and will be deducted at the moment of sale.
