

Crowdpear promo code general Terms & Conditions

March 9, 2026

1. A promo code is a code for a special Crowdpear offer/promotion. When investing the amount specified in the terms of the offer and entering the code in the designated promo code field in the Crowdpear client account, the client receives a bonus in the amount defined in the terms of the special offer.
2. A Crowdpear promo code is valid for the period specified in the offer terms. For existing Crowdpear clients, the terms of each offer are published in the News section of their client account and/or are distributed via newsletters. For the potential clients, information about special Crowdpear offers may be distributed via other marketing channels and tools.
3. All verified Crowdpear clients (investors) have the right to use special offers/campaigns organized by the platform.
4. Any Crowdpear client who enters a special offer promo code in the designated promo code field during the investment step (see the image below) and invests the amount specified in the terms of the offer will receive a bonus in the amount indicated in the offer.

5. A special offer promo code may be used only when making an investment in the primary market. The bonus does not apply if the investment is sold on the secondary market before the bonus is granted. The bonus is granted in EUR as a single payment 7 (seven) days after all conditions set out in these terms & conditions are met.
6. The special offer bonus granted to the investor is automatically invested into an investment offer that is open on the platform on the date the bonus is granted. The invested bonus cannot be cancelled or sold on the secondary market.
7. Each client may use a single special offer promo code only once. A client may benefit from a special offer with a promo code only once within a 30-day period. If several special offers with different promo codes are active during the same period, the client has the right to choose which offer to use.
8. A bonus granted using a promo code is not counted toward the client's investment amount when fulfilling the terms of other Crowdpear offers.
9. When granting a special offer bonus to Lithuanian tax residents, the platform withholds personal income tax in accordance with applicable legislation. Non-Lithuanian tax residents are responsible for paying taxes on granted bonuses in accordance with the laws of their country of residence.
10. Legal relationships arising from special offers with promo codes are governed by the Crowdpear promo code general terms and conditions.
11. Crowdpear has the right to unilaterally terminate special offers with promo codes or amend their terms without individually notifying the client.
